## Search Fields

MLS #	Zip
Maximum Price	Minimum Price
Square Feet	Garage Spaces
Bedrooms	Acreage
Baths	Year Built
Subdivision	1st Floor MBR
House Type	Basement
House #	Waterfront
Street	Your listings
City	Hotlist

## Benefits of AscotRE Wireless MLS

- AscotRE is a Realtor friendly service providing access to MLS data from a cell phone or Palm® Pilot device...while you're on the go.
- With AscotRE respond to client questions quickly and professionally.
- Be ready for those "What about *that* house?" Questions.
- Need to check the new listings? Ascot can provide that too!
- Forget your directions? just check your AscotRE.
- Only data you need is presented, real time, with no nightly synching.

***AscotRE . . . Realtor friendly service, simple to use***

Our web based **AscotRE** version now works on most **web based phones**, including **Blackberry** and **Treo 700w**.

- **Mortgage Calculator**
- **View entire property detail on one page**
- **Convenient online ordering available**
- **Improved picture quality**

## TECHNICAL SPECIFICATIONS

Unsure if AscotRE works with your phone?

Call Ascot Technologies service for more details at  
919-388-1776 or email [support@ascottechnologies.com](mailto:support@ascottechnologies.com).

***"Keep in mind that cell phones today are no longer just cell phones. They have become mobile offices offering high resolution color, contact and calendar management, access to email and some even provide the capability to take digital pictures...Add to that the AscotRE package and you have powered yourself with an innovative device that costs you less per day than the latte you buy."***
